## VSAT Service

Orbis Yacht provides global coverages thanks to a large number of agreements signed with the top satellite operators. We offer a tailor-made service to customers based on regional, multi-regional and global coverage.

VSAT Services are provided in Ku, Ka and C bandwidth from our Teleports with no restrictions on signal coverage.

Our Technology is independent, with a close relationship with all major satellite operators. Orbis Yacht can provide the best available solution to customers' needs.

Service is compatible with all antenna brands, from 60 to 240 cm diameter.

- > High speed data and voice transmission to both fixed and mobile remotes
- > Tailor-made service based on regional, multi-regional and global coverage
- > Dedicated, shared and mesh connections
- > Compatibility with various antenna systems (Sailor, Intellian, Orbit, KNS) and main satellite platforms (Idirect, Comtech, Newtec)
- > Consulting services and support to optimize performances and costs
